

BARRY

by Alain Gilles

Barry è un tavolo dall'impronta grafica, che indaga sulle percezioni dei propri volumi, tra solidità e leggerezza. Le gambe, protagoniste, si arricciano su se stesse con decisione, mostrando la personalità dinamica del tavolo. Barry promette sicurezza, in casa oppure in ufficio.

Barry is a distinctly graphic table sporting intriguing volumes, a mixture of solidity and lightness. The legs form a prominent feature and curl distinctly around themselves, revealing the table's dynamic personality. Barry provides reassurance in the home or office.
