

BONALDO

Nelson bed

Designer: Matteo Nunziati

The Nelson double bed, designed by Matteo Nunziati for Bonaldo, is the key element of this new bedroom collection. Its hallmark features are the clean lines, precise analysis of the shapes and proportions, and the meticulous care taken over the details. The dramatic and imposing wood headboard which surrounds and frames a smaller, softer, padded headboard is the stand-out feature. The flat, slimline bed base, also made

of wood, rests on slender metal feet: elements which give the Nelson bed the impression of being "suspended" as if it is floating in the bedroom. In the Nelson L version, the headboard is larger and the bedside tables are incorporated in the bed creating a balanced and elegant result. The range is completed by the bench with a wood frame and soft fabric cover: an elegant, sophisticated, yet functional element.
