# Squaring

Designer: Giuseppe Viganò

The Squaring bed is an architecture of rest that emphasises the modernity of the geometric shapes and avant-garde execution techniques. With completely removable cover available in fabric, leather or eco-leather, it can be placed at the centre of the room due to its particular design. The bed reaches its maximum expression in the version with the side unit, thanks

to which a real oasis of relaxation is obtained. Numerous versions are made, as regards the sizes and configuration of headboard and bed frame, in order to offer the utmost personalisation. The sleeping area can be completed, finally, with poufs and a bench coordinated with the bed.
